From the Engineer Officer
Gy. Improvement Trust Board Blore
No. 7,44, dt 4.1.45

Forwards an Estimate amounting to Rs 40,000 for the Construction of a Compound wall enclosing the Burial and cremation ground in Wilson Garden extension, for Sanction.

1(a) Dewan's order in D. No 4257 on the subject - Let me see the estimate if (An estimate for enclosing the burial ground with a Compound wall as prepared) with plan

1) The Burial and Cremation grounds are situated adjacent to the bungalow sites in the Wilson Garden Extensions, and the proposal to shift them to the Adagadu village is under correspondence with the Municipal Council and Bangalore City and the Revenue Department.

2) With a view to conceal the tombs from the view of the public and the residents of the extension it is proposed to enclose the grounds with a high Compound wall all round, with two gates to get easy access into the area. The cost of the work is estimated at Rs 40,000 part of the cost (about Rs 25,000/) is proposed to be met out of the expected savings in the Sanctioned Estimate of the Wilson Garden Extensions and the balance, out of the proceeds of sale amount of sites.

3) It is for Consideration if the Estimate may be referred to the Chief Engineer for Roads and Buildings for Scrutiny, in the first instance

16) The Dewan wanted to see this Estimate while

Law Dept.

No 279-13-1 ws

It is seen that the length of the wall is about 4,000 feet and the cost about Rs 40,000/- according to the prevailing rates. The cost appears to be prohibitive. If the work is not urgent it may be postponed. Otherwise the estimate may be sanctioned.

Secretary to Government,
Law Department,
with compliments

A.K 13th. The Engineer Officer considers the work (i.e enclosing the Burial ground in the Wilson garden Extension, Bangalore) to be of an important nature and has requested early sanction stated for orders

Pl keep up for 16/1/45

The Engineer Officer has prepared an estimate for Rs 40,000

for the construction of a
Compound wall enclosing the
Burial & cremation ground in
the Watson Garden Extension. The
report accompanying the estimate
explains the necessity for the construction
of the Compound wall in question
& the Chief Engineer has recommended & Municipal
has scrutinized the estimate. He states
that the cost of Rs 40,000/ for the
wall of 4000 ft length appears to be
prohibitive - & that, if the work is not
urgent, it may be postponed or otherwise
if it may be sanctioned

i) It seems from the abstract estimate
that the length of the wall proposed to be
built is 4900 feet (not 4000 as stated
by the C E in para 3) & that the
rates adopted at Rs 7½/- per foot
Schedule rates (as ascertained from the Engineer
Officer - usually)

ii) For orders - if the estimate
may be sanctioned as it is
sanctioned, the charge will have

to be debited to the provision
in Respect five Lakh rupees under
/ Share of Surplus Transferred in the
current years State Budget.

11) The Dewan was pleased to ord
that he would see the estimate
(under orders contained at para 1(a)
Secy) for orders

To

The Law Secretary
to the Government of His Highness
the Maharaja of Mysore,
Bangalore

Sir,

Construction of a compound wall enclosing the Burial and cremation ground in Wilson Garden Extension

---

I have the honour to submit herewith an estimate amounting to Rs 40,000/- for the above together with a plan, section and a report for obtaining early sanction

The report accompanying the estimate details the necessity for the compound wall and the provision made besides pointing out the source from which the cost could be met

As the work is of an important nature, early sanction may kindly be obtained and communicated

I have the honour to be,
Sir,
Your most obedient servant,

Ramaram
Engineer Officer,
C I Trust Board

MR/3-1

Report to accompany the estimate for constructing the compound wall enclosing the Burial and cremation ground in Wilson Gardens Extension.

The Burial and Cremation grounds are situated close to an important road - the Bangalore Hosur Road- opposite the Municipal Toll gate and adjacent to the building sites in Wilson gardens Extensions

The Government have approved the resolution of the Municipal Council proposing to acquire lands in the vicinity of Adagodi Village for further burial and cremation and to stop burial and cremation at Wilson Garden Extension The acquisition proceedings are being taken up in the Revenue Department and the Deputy Commissioner has been reminded There seems to be sentimental c objection to build houses within the sight of an open burial ground And visitors to the Mental Hospital and the Tuberculosis Hospital under construction have to pass by the side of this grave yard

It is therefore necessary to conceal the tombs from the view of the public and residents of the Extension by enclosing the grounds with a high compound wall alround

The compound wall is proposed to be constructed enclosing Christian, Hindu and Mohammandan Burial and cremation grounds as for as possible parallel to the existing roads in the vicinity The section adopted is the same as that already constructed in similar places both in the city and cantonment It will be about 5' above the ground level with two gates to get easy access into the area for arranging it to be kept always clean

The detailed estimate enclosed herewith shows that the work costs Rs 40,000/- Part of the cost viz , about Rs 25,000/- may be met out of the expected savings of the sanctioned estimates of Wilson Garden Extensions and the balance viz , Rs 15,000/- out of the proceeds of sale amount of sites
